Foreign Bodies in Milk

A small rodent (dead) and a quantity of foreign matter have been found in two milk bottles reported the senior health inspector (Mr. J. Mellors) to Altona Shire Council.

Council readily adopted Mr. Mellors recommendation that legal proceedings be instigated against the respective companies involved.

The Shire Solicitor will also be authorised to brief legal Counsel to prosecute on behalf of the Shire Council.

In the past actions have been unsuccessful as each Magistrate has ruled "that reasonable precautions had been taken."

Cr. W. G. Cresser commented on the number of times these complaints arise. He considers there cannot be the necessary supervision when the bottles are cleaned and filled. He said the companies responsible for foreign bodies in milk bottles should be prosecuted and then this trouble may be stamped out.

Cr. Bond suggested the problem should be placed on the agenda for discussion at the next meeting of the Municipal Association.

No Invitation!

Councillors were rather concerned at an apparent lack of courtesy at the ceremony proposed for the opening of the extensions to the Elderly Citizens' Club building.

Cr. H. W. Lee expressed disappointment that in view of the generous financial assistance given to the Elderly Citizens' Welfare Committee, the council have been largely ignored at its opening.

The Shire President (Cr. G. den Dulk) had received an invitation, but for some reason no official invitations had been given the council.

The extensions will be opened next Sunday afternoon at 2.30 p.m. by Mr. Randal White from the Old Peoples Welfare Council.

University In Altona

COUNCIL DISCUSSION

Altona Council's viewpoint on the site for the third university was further discussed at this week's council meeting. The letter from Mr. A. S. Wright and the reply from Cr. H. W. Lee published in the "Star" were considered.

The Shire President (Cr. G. den Dulk) was appointed as Altona's representative on the Western Suburbs Committee which will meet tomorrow night.

Councillors expressed pleasure in the interest shown by so many in the possibility of a university in Altona. It was felt that Cr. Lee's letter has fully expressed the council's viewpoint and the case was well put by him.

Cr. Lee stated at the initial meeting of the Western Municipalities and the Western Industries Association complete and unanimous support had been given to the council's proposal to form a representative committee for concerted action on the university.

He was glad to see such agreement for he felt a committee could be more informed and efficient than individual bodies.

He wanted to see a university in Altona. The council will present all necessary evidence in its favour to the committee.

Cr. Ginfier suggested that all of the sites mentioned at the initial meeting did not meet with the conditions laid down by the Premier of Victoria (Mr. H. E. Bolte). They must be on crown land and in the metropolitan area.

Cr. Ginfier commented — "Werribee is outside the metropolitan area; Sunshine have Commonwealth land and I feel it is not the intention of the Premier to purchase this land. State owned land is required; Bulla also has Commonwealth land; Kellor has private land which would have to be acquired; Footscray and Williamstown who have no land available for a university have only their best wishes to offer."

The attitude of and action by councillors will be appreciated by those interested in

Council Denies Damage Liability

A request that Altona Council bear the cost of replacing the sealer on the floor of the Methodist Youth Hall in Seves Street, Altona, was refused at the meeting last Tuesday night.

The hall was hired by the council for Seaholme Kindergarten purposes and it is alleged that instead of the floor being cleaned with cold water only, under Health Regulations it was washed daily with disinfectant which has stripped the sealer from the floor and water marked the wood. In an endeavour to remove the stains the floor

SCHOOLBOY FOOTBALLER SELECTED FOR COMBINED SCHOOLS' TEAM

Dennis Morgan of Altona High School has been selected to play in a football team representing the Western Division High Schools in a series of matches to be played against other Divisions in Victoria.

will probably need sanding. The council paid a weekly rental of £5, plus the cost of electricity used by radiators and attended to the cleaning. The hall was used for nine half day sessions weekly.

Cr. Irwin said the council considered this matter should come under normal fair wear and tear and was covered by the rental. He said other organisations were also using the building at the same time. Councillors agreed the claim be disallowed.

Promising footballers from school teams were invited to attend a practice match at Fairburn Park yesterday.

Following the game the team was announced.

Robert Walker from the same school was also asked to play but he missed selection.

Dennis is the second son of Mr. and Mrs. M. L. Morgan, of Blyth Street, Altona.

Safety Award at Union Carbide Benefits the Blind

(l to r.): S. Hatful, S. Downie, J. Bardsley, R. Van Dulleman, M. Van Dulleman, J. Dawson, H. Brocks, D. Egan, H. Ackerman, D. Corcoran, L. Morgan.

Receiving a congratulatory paw-shake from Astor, Guide Dog is Ron Young on behalf of "A" Shift, Union Carbide.

Astor, the guide dog, stole the limelight from "A" Shift recently at a presentation of a cheque for £25 to Mr. Westaway, Admin. Asst., to the Director of the Guide Dogs for the Blind Association of Victoria in spite of "A" Shift's record of achieving the Safety Award for the second time for 12 months' accident free work.

Mr. Perry, Works Manager in presenting the award to "A" Shift announced that not only had this section the distinction of being the first shift to attain two years without a lost time accident, but had also upheld the plant record achieved this month.

Mr. Ron Young then presented the cheque to Mr. Westaway who said in reply that it was not often he had the opportunity of meeting the people whose thought made such a donation possible. Such an achievement, said Mr. Westaway, demonstrated the interest each member of the shift had in each others welfare which expressed itself in many ways, happy work relationships, management peace of mind and resulted in an award

which benefited other people. A tremendous number of sightless people in Australia needed to be helped and it was wonderful to know that the fellows of "A" Shift were thinking of them.

Mr. R. Read, Production Manager, then presented each member of the shift with a souvenir silver spoon inscribed "For Safety at Work."

The occasion then took an informal note whilst Mr. Westaway, himself sightless, chatted to the men and told them something of the work of the Guide Dog Association and his own personal experiences with his guide dog, Astor, whose behaviour throughout the afternoon was an example of the intelligence and high standard of training achieved by this organisation.

DONATION TO OLYMPIC FUND

£20 will be donated by the Altona Shire Council to the Victorian Committee to promote Australia's participation in the 1964 Olympics in Tokyo.

Cr. W. G. Cresser said Australians do very well at sport in competing against the millions in the USA and Russia. He said as well as good sports they are good ambassadors for Australia and should be supported. He said the donation was only small but if all helped as requested the committee would successfully raise the necessary funds. He moved the granting of the £20 which was seconded by Cr. S. McIntosh whose only comment was that he considered it should not be necessary for the committee to solicit funds to enable the team to attend the Olympics. Cr. McIntosh

FINED FOR OVERTAKING

Morton Mandelson, of 204 Blyth Street, Altona, was fined £8 for overtaking on a two lane highway when unsafe to do so.

First Constable D. Studley told the Court at 6.30 p.m. on January 11, 1964, he saw defendant driving south in Millers Road, in a continuous line of traffic. He himself, was riding a police motor cycle. Defendant swung out to overtake a car on to the wrong side of the road, forcing him on to the gravel to avoid a collision.

Mandelson told the Court he was concentrating too much on the car ahead of him, which kept putting on the stop light and decided to overtake it.

considers the Government should bear the full cost of sending the team.

INJECTION DELAYS ANGER MOTHERS

Complaints have been received concerning conditions at the Shire Hall when medical injections are given. These injections are a valued service to Altona ratepayers and are welcomed as such.

It is claimed, however, that inconvenience is being unnecessarily caused to waiting parents by conditions which could be rectified.

It was stated that at the small pox injections on April 17 the overwhelming response caused congestion and delay. This should not have been so. Those requiring children to be immunised had to notify their Welfare Centre who presumably, prior to the injection date, gave a detailed list of the numbers of children being presented for injection. Suitable arrangements should then have been made to cope with the expected numbers.

One date each month triple antigen injections are given. On the 13th May conditions at the Civic Hall were far from ideal for mothers and their children.

A report from one mother can be accepted to some extent as typical—"Injections were due at 11 a.m. I arrived at 10.30 to be early. To reach the hall it was necessary to pass the lawn mower in action—the flying grass was a nuisance not, however, to compare with the previous

time when the water spray was the trouble. The floor of the hall was covered with a sawdust preparation so that apart from being too slippery, it was not the cleanest place for putting young children. By 11 a.m. approximately 200 people had arrived. I stood in a queue for 15 minutes to get a coloured ticket but the attendant on the door was confused about the correct order of presentation of the tickets. Finally, the doctor arrived at 11.45 a.m. and the injections commenced. I was able to leave at 12.15 p.m."

From this it appears that there is certainly scope for improvement.

Decentralising the injections which is being investigated by the Medical Officer of Health and the Senior Health Inspector may give part of the answer. In any case such a necessary service should be given under pleasant conditions which could be ensured by a little more pre-consideration.

EDITORIAL

MAN'S FRIEND

"Give a dog a bad name" has more general application than is first thought of. The dictionary defines dog, as applied to man as a worthless or surly person. The whole range of canine metaphors referring to man are of the same tone. We know what is meant when a person is "leading a dog's life" or "has gone to the dogs." The "dog days" are an unpleasant time. We hope no one will "die like a dog." We speak of a "contemptible hound," a "greedy dog" and a presumptuous young man as a "puppy."

Judging by these and many other such terms a dog has certainly a bad name. Probably these go far back to a period when a dog was not in the fortunate position he is today. For at the present a dog's life is a gracious one. He has free board and lodging (of various quality). He has in most cases obviously unlimited freedom. He may not, like Kipling's cat, walk by himself, for he is seldom without friends, both human and canine. And when he comes to die it is more often of old age.

In one sense, however, the dog's position in the community has deteriorated. There was a time when his loyalty was restricted to one man. He was a one man dog but tolerated the rest of the family. Now his offers of friendship are often overpowering, especially to the little folk who do not always reciprocate in the way he requires (to them a possible danger. His loves for things of humans gives him a partiality for rubbish bins, particularly those without lids. He enjoys romps in flower beds. He may even accept a child's lunch without the necessary permission.

Our friend the dog is with us to stay. What cannot be cured must be endured. Now and again of course the dog cart may reduce his numbers.

Our smallest ones must be safeguarded against and taught how to respect his approaches. The tight fitting rubbish tin lids so admired by our health authorities will frustrate his efforts in that direction.

At his best the dog is a fine animal—a fitting companion for man and child. If we now and again see him at his worst let us remember our responsibility to the animals we have domesticated.

ALTONA WORKING MEN'S CLUB NEWS CLUB BUILDING PROGRESS REPORT

With favourable weather during the last two weeks the building progress was steady, but we still have a mighty long way to go. Although we have many more thousand bricks to lay we are definitely reaching the closing stages of bricklaying, with approximately 80,000 so far.

This week we took delivery of our last loads of bricks and sand for inside the building and when the bricklaying is completed inside the bar area we shall then proceed to the outside entrance wall and begin to reach the lock-up stage of the building.

On Monday morning we commenced the big job of roof purling and confidently expect by the end of this week to see a few of the 8 in. x 2 in. purling securely bolted to our open web trusses over the bar and ladies lounge section of the building.

Most members will agree it is fitting and proper to commence roofing the bar area first.

Electric power should be connected up to our temporary power pole this week and make things easier for the carpenters—we might even be able to boil the jug for morning tea.

The plumbing side is still dragging—not a case of the plumber forgetting his tools, just forgetting—full stop.

However, we have made a little progress as our 3 in. line is now connected to within 10 ft. of the building. In two weeks time we shall be facing one of our many big problems that we shall encounter from time to time during the next few months, namely, the necessity to find a considerable sum of ready finance to start and complete a big section of the project.

The big job we anticipate commencing in two or three weeks time is roofing the entire building; taking approximately 400 sheets of corrugated super six fibro cement sheeting, spouting, downpipes, safety wire, etc., at an approximate cost of £1200.

A special effort by all our members in the finance scheme during May and we could achieve this task and when the building is roofed we should then really begin to see things taking shape.

THE FINANCE SCHEME
This is now our only source of income to finance the club building. The 5/- per week that you are investing is to be spent the week after we receive it on purchasing of bricks, timber, labour, etc., on the building. You can now see exactly what we are doing with it.

In the course of a week it is possible for me to have interviews with half a dozen representatives from air conditioning to furniture manufacturers, etc., and each and every one, have the same comment in common, it is a fine place you are building—you could not wish for a better location and it will be a big asset to Altona, etc.

The herculean task that have commenced is a credit to all of us and making a big impact over a wide area.

We cannot let ourselves and others down at this stage. We must persevere to the bitter end and make our mightiest effort during the next three months.

For the month of April we had the highest collections ever, as we are now getting investments from an ever increasing number of new members and have four new collectors on the job.

If you have not yet been contacted why not take the initiative and get in touch with us. You can use any of these phone numbers, preferably in the evening—W. Spence, 65-8562; G. Stirling, 65-8565; F. Flett, 65-8539; S. Rowe, 65-8849.

SPECIAL MEETING OF ALL CLUB COMMITTEES

A special meeting of all members of all club committees will be held on Friday night, May 22, at 8 p.m. in the Homestead in Queen Street.

The special item of business for this meeting are directions from our solicitors regard club constitution and its application to our various

committees. Members of committees will receive correspondence for this meeting.

GARDENING SECTION

Owing to a misunderstanding the May monthly meeting of the Gardening Section will now be held next Tuesday, May 19, at 8 p.m. in the Methodist Hall, Seves Street, Altona.

TABLE TENNIS SECT.

Our four teams in the Western Suburbs Table Tennis Association Winter Penant Competition played their first games on Wednesday and Thursday, May 6 and 7, and the results were very heartening.

D3, led by Bob Caines, and players Les Russell, Ron Webb and Sev Apfelbaum, notched a victory for the club in defeating Williamstown High School.

D3 RED, the ladies team, led by Trudy Reissman, with players Joan Thomas, Lynette Apfelbaum and Barbara Parrot, were beaten by Newport Presbyterian. They were beaten only by nerves. With this game up their sleeves, we feel certain that they will settle down and show how good they really are. It will be interesting to see the outcome of the match on May 22 when both the above teams meet in the draw.

D2 team, led by Charlie McCallum, and players Bill Binding and Charlie Harvey, won well against Williamstown on Thursday night, May 7. There are very good teams in this grade and it is very pleasing to us to register a win first up.

C2 team, led by Tom Smith, won against Yarraville, which in all, really gave the club a good start in their first games in competition table tennis; to win three games out of four in the first round is not bad. Congratulations to all players.

Last Monday night, which was our first night of our regular weekly table tennis nights at the Methodist Hall, Seves Street, Altona, the cold wintry weather didn't help our attendance, but our regular stalwarts were there, and some of our team players got some practice.

We want to see as many members as possible interested in table tennis come along to these table tennis evenings and join in our Section activities. All that is required is a bat and 2/6 per person to cover expenses and be at the Methodist Hall each Monday night and see any of the committee members—Les Russell, Trudy Reissman, Joan Thomas, Fred Smith, Bob Caines and Gordon Stirling.

Altona Life Saving Club News

The Melbourne Suburban Beaches Association Winter table tennis competition begins this Wednesday night, May 13. The Altona Club has entered two teams in this competition, one women's and one men's team. The results of games played will be published in The Star as soon as results are available.

FORTHCOMING EVENTS

The annual presentation night will be held on May 29, commencing at 8.00 p.m. All members, members' parents and citizens of Altona are welcome. Come along this night — dance to the music of Nancy Warren's Band and see the club members receive the trophies they have won over the past season.

PICTURE NIGHT AT BOWLING CLUB

Of interest to all members of Altona Bowling Club will be the slides to be screened at a picture night in the club-rooms next Saturday, May 16, at 8 p.m.

Slides taken of the club house from when it was first started through to its present stage of development will be shown.

Highlights of presentation nights, socials and other club activities will again be brought to mind by the pictures on the screen.

Entry fee will be 2/- and ladies are requested to bring a plate of supper.

Indoor bowls start at 2 p.m. on Sundays. Not at 1 p.m. as was stated last week.

Wedding anniversary congratulations go this week to Jess and Bill Monkhouse.

Members of the Ladies' Bowling Club wishing to play pennant bowls during the 1964-5 season are requested to enter their names on the lists on the notice board in the club house. Intending players must be listed by June 20 after which the lists will be forwarded to the V.L.R.A. Players who are not registered will not be able to participate in pennant bowls during the next season.

The roster of members for club house duties each Wednesday afternoon has been cancelled. Other arrangements for regular cleaning of the club house have been made.

ENGAGEMENT

Mr. and Mrs. Stan Aaron, of Cain Court, Altona, have much pleasure in announcing the engagement of their younger daughter, Heather Jean, to Larry, elder son of Mr. and Mrs. Mick Johnston, of McBain Street.

The couple plan to marry on June 13 at St. Eanswythe's Church of England, Altona.

HISTORICAL SOCIETY

The monthly meeting of the Altona Historical Society will be held on Wednesday, May 20, at 8 p.m., in the Society's meeting room in the Homestead at 128 Queen Street, Altona.

All interested residents are welcome to attend.

KOORINGAL GOLF NOTES

Saturday's Bogey results are as follows:—A Grade, M. Twentyman, 3 up (9); B Grade, G. Newman, 4 up (16); C Grade, A. Jurey, 1 down (26).

Sunday's Stableford was won by L. Moore, 39 points (3), and E. Mullins, 39 (21), from R. Caithness, 38 (1).

Associates' Bogey competition was won by Sandra Coburn, who finished 4 up.

This week's Pennant results:—Seniors lost to Heidelberg, 3-4, and Juniors defeated Croydon, 3-2.

Next Saturday Seniors play Greenacres at home and Juniors are away to Kingston Heath.

Don't forget the Mixed Foursomes next Sunday.

C.E.M.S. MEETING

St. Eanswythe's branch of the Church of England Men's Society will be holding their annual meeting this Friday (May 15) at the vicarage, 7 Bent Street, commencing at 8 p.m.

Business will include election of office-bearers and the consideration of the year's programme. All men who would like to come will be very welcome.

FARRY — TAYLOR WEDDING

FARRY — TAYLOR

A lifelong friendship between two families had a happy climax on Saturday at St. Mary's Church, Altona when Patricia, only daughter of Mr. J. Farry and the late Mrs. Farry, was married to Noel, eldest son of Mr. and Mrs. G. Taylor of Jerilderie, N.S.W., by Rev. Fr. Nooney.

The bride looked charming in a short-length frock of pale pink tulle and taffeta worn with a fingertip veil. She carried a prayer book and trailer of flowers.

Jill Taylor, sister of the 'groom, carried an 1830 posy-of-pink roses and carnations with her frock of blue chiffon and tiny-pink, facinator.

Graham Colles of Altona, was best man.

The reception held at the home of the 'groom's aunt, was a happy affair where the guests were received by Mrs. Claire Wilshire (aunt of the bride) wearing a fur-trimmed aqua frock and jacket with brown accessories; assisted by Mrs. Taylor who chose a beige suit and matching accessories.

The beautiful cake made by Mrs. Wilshire and decorated by Mr. W. Wilshire, was the conversation piece of the evening.

Visitors to New Civic Offices

A number of Altona citizens availed themselves of the Council's invitation to view the new Civic Offices. In addition there were quite a few from other parts of Melbourne and several from other States.

During the period of three months while the offices were open for inspection a small contribution was asked from visitors for the benefit of the Elderly Citizens' Building Appeal.

Members of the Elderly Citizens Social Club and the Welfare Committee were on duty at the entrance.

The Welfare Committee appreciated the gesture of the Altona Council in so assisting the Elderly Citizens' Appeal.

Laverton Progress Darts Club

Division 1 team, away to Seaholme, came to the end of their winning sequence with a bang, losing this vital game by nine games to nil. This was caused not so play.

As by Laverton's bad much by Seaholme's good

Division 2 team, at home to Yacht Club, lost by six games to three making this a bad weekend all the way round.

Last night Laverton No. 1 team played Altona Darts in the first round of the Altona Star Knockout competition.

Competition Winner

The competition conducted by the Seaholme Kindergarten for a prize of six glasses was won by Mr. R. Stevens.

The kindergarten gained £12/9/- from the effort.

The glasses were donated by McDonald's Hairdressers.

TENNIS NEWS

JUNIOR TOURNAMENT

All junior girls under 16 years and under 13 girls are to be ready to play at 9.30 a.m. Sunday morning. Entry fee 2- each.

The trophy for each section is donated by club coach, Mr. Findlayson.

The following boys are to play also: K. Flett, K. Walsh, Walker, Rafferty, Kelly, McIntosh, Mochan, Parker, Thomas, Rawlings, McKinney

ANNUAL SCHOOL PICNIC

The annual school picnic arranged by the committee of Epsom Steet Primary School, Laverton, was held last Sunday.

During the morning the children participated in races, games and a treasure hunt at the Little River Recreation Reserve. The parents were not left out, but were a little puffed out after their races and softball game.

After lunch they all continued on to Flinders Peak in the You Yangs. Here, those with any left over energy from the mornings activities were able to get rid of it on the climb to the top of the Peak. We hear however, that some of the picnickers did not attempt the hike, choosing instead to sleep in the buses.

YOUTH FELLOWSHIP PLANS

Members of St. Eanswythe's Church of England Youth Fellowship so enjoyed the barbecue at Werribee last Friday night that arrangements have been made to attend the dance in the Werribee Church Hall this Friday night, May 15.

Transport will again be provided and members wishing to attend are requested to be at the Church Hall in Queen Street, by 8 p.m. Entry fee will be in the vicinity of 5/-.

SPORTING BODIES MEETING

The Altona Sporting Bodies meeting will be held in the old Civic Offices at 8 p.m. on Tuesday, May 19.

PERSONAL

It was a sad Mother's Day for Mr. and Mrs. Sebbins, of Grace Street, Laverton. Mrs. Sebbins' mother, Mrs. Barker, who had been living with them, passed away on the Sunday. The funeral service was conducted last Tuesday.

SPORTING PERSONALITIES PAST AND PRESENT

No. 36 — JIM DAVIS
ALL-ROUNDER

Born in Leicester, England, Davis first broke into sport after leaving school when he had a trial run with the Millwall Soccer Club, and as a result was able to play for their "A" team.

Davis later joined the R.A.F. and took up Physical Education as a trade, which he commenced at Cosford, Wolverhampton, and when in that area, Davis played for the local Amateur Soccer Club.

When he transferred to Ruislip in Surry, Davis took on athletics after meeting up with the R.A.F. hammer throwing champion, R. Kinnaird and well-known athletics coach Franz Stampfl who now resides in Melbourne.

At the 1953 Home Command R.A.F. Championships, Davis filled second place in the field games event having a throw of 105 ft. with the hammer and 31 ft. with the shot putt. He also competed in field games with the South London Harriers, a club which had Gordon Pirie on their membership list at the time.

In 1954 Davis transferred to Insworth where he joined the Gloucester City Soccer Club and also became a member of the Insworth R.A.F. Soccer team who were the top combination of the Air Force.

Davis went to Duren, Germany, in 1955 with the R.A.F. and he became a member of the local Soccer Club which played in the West Fellen League. Athletics and Hockey were two other sports Davis tried with the respective Duren Clubs. He was a member of the R.A.F. Basketball and Athletics teams and he also played Soccer with the forces against the Dutch Air Force and the Army of the Rhine team. With the Basketball team, Davis played against the American Air Force team in West Germany. The team had to travel under guard through East Germany to play this match.

Whilst on leave in England, Davis was taken to the Fulham Soccer Club for a trial run by Tony Macedo who later became a star international goal keeper in the English Under 23 International team. Davis was signed up for the Fulham "A" team as an amateur, and he played for them on his return from Germany. For a short term Davis took over the physical training and supervised both Senior and Junior players for the Fulham Club.

Davis was posted to R.A.F. Northolt in Middlesex, one of the strongest sporting camps in the services. Under the tuition of Fit. Lt. Blaszak who was head of the Physical Education staff at Northolt, and also a Master at Arms of the R.A.F., Davis learnt the finer arts of fencing with Epee. At a Royal Tournament Davis won two sections with Epee, Phase one and two. This contest included the three services, Army Navy and Air Force. Northolt were winners of the R.A.F. Inter-station Badminton Tournament, and Davis was a member of the combination who were successful from the 150 teams that competed.

On his return to Germany, with the R.A.F. in 1959, he competed in the Inter-Services Athletic Competition held at Munchen Glabach. He also

represented the R.A.F. in Athletics against the German Force, and on a trip to Paris competed against the joint Allied Services Athletic team.

When he finally returned to England, Davis joined again with the Fulham Soccer Club for which he played as an Amateur, and their goal keeper.

Davis migrated to Australia in 1960, and since that time he has played for several leading Melbourne Soccer Clubs.

In 1961 Davis played a half season with Hakoah, and then transferred to Footscray for the remainder of that year. And in 1962 and 1963, Davis played as goal keeper to the George Cross and Melbourne Soccer Clubs respectively.

During the Athletic Track seasons at Olympic Park in 1961-62 and 1962-63, Davis competed for the St. Stephens Harriers in field games events. The Club were "A" grade runners-up in 1961-62 and won the premiership the following season.

At the 1962 Victorian Track Championships, Davis finished in 6th place at field games, having thrown the hammer 150 ft., he has a best of 155 ft. with the hammer and 43 ft. with the shot putt.

Forever on the move, Davis is a keen Basketball player and he represents St. Kilda Business Houses Association "A" grade and Power House in "C" grade competition.

Coaching Soccer gives Davis the chance to impart his know-how to many young students of the game. He is coaching the Melbourne Soccer Club Under 14, 16 and 18 age groups, and the Under 12, 14 and 16 at the North Altona Technical School.

It could be said that the type of athlete that Davis represents is more than an asset to the younger group of proteges he is assisting at the present time.—Stan Cleghorn

JET SCOOPS THE POOL

Tom Jones sailed a faultless race last Sunday and finished more than three minutes ahead of Alan Owen in Moonraker. This means that Tom had seven fastest times during the season. Runner-up was Alan Owen with six fastest times.

In the handicap section Tom's rival, John Neale in Struan Mist, fouled a course mark about half-way through the race and retired. This left Tom as winner of the handicap section. On top of these he also won the championship trophy for the season. Congratulations, Tom, on a fine season's performance — you've certainly earned it.

This finishes the racing for this season for the Hornet and Moth Classes. The final race for the Heron Class will be held this Sunday morning.

Hornets (15 miles): 1, Jet (Tom Jones and Graham Brennan), 2 hrs. 13 mins. 8

ALTONA & DISTRICTS DART LEAGUE BRISTOL DISPLACED AS LEADERS

For the first time in the history of the league, a team has completely "whitewashed" another in a match. This happened on Friday night when Seaholme defeated Laverton Progress by nine straight games, thus displacing Bristol Hotel as leaders in Division 1 and took over the coveted No. 1 position.

Brooklyn Hostel overwhelmed Altona Darts with an 8-1 victory.

I.C.I. with Laverton defeated, took third position when they defeated Carbon Black by seven games.

Albright and Wilson held off a determined Gloucester to win by the odd game.

Altona Council had a convincing victory over Union Carbide with a 6-game win.

THIS WEEK'S GAMES (Likely winners in capitals)

- DIVISION 1
SEAHOLME v. Albright and Wilson.
LAVERTON PROGRESS v. Union Carbide.
Gloucester v. I.C.I.
Carbon Black v. BROOKLYN HOSTEL.

Singles: Friday, May 22.
Doubles: Friday, May 29.
Entry forms are available from each club secretary or League secretary.
-VICTORIAN CHAMPIONSHIP
Closing date for both the singles and doubles championships is Tuesday, May 19. Entry forms are available from each club secretary or League secretary.

Advertise Altona

Mr. A. S. Wright's concern over Altona's prospects for a university appears justified. Cr. H. W. Lee has given a satisfactory reply to Mr. Wright's letter asking for clarification of the Council's attitude. This is not enough. Publicly, an image, adverse to Altona, has been created. It should be countered by equal publicity.

The attitude of Altona Council has been wise and foolish. Wise because it, of all the Councils, foresaw a first line of thought of the sites commission. Foolish, because it did not carry out its idea to a logical conclusion.

The steps that should have been taken are —

(a) The presentation in association with other municipalities of the advantages of a site for the University on the western side of Melbourne.

(b) The addition to such statement of a list of suitable sites showing necessary details.

(c) Concurrently the utmost publicity being given to Altona sites.

It is obvious that the sites commission will receive submissions from adherents of various areas north, east and west of Melbourne.

It seems almost equally sure that the commission will think first in terms of a general area and then narrow down their ideas to particular sites. This the Altona Council has visualised. But while the merits of particular sites are all important, public opinion is also a factor — in this Altona is running a losing race.

Following on the unanswered criticism of Altona Council on the ABC and in the press relating to the delinquent centre decision; we have now the same medium claiming a negative or neutral attitude to the University proposal.

It is idle for Councillors to be conscious of their own integrity in these matters. — False impressions exist. These can only be dispelled by action.

An example of what can only be termed anti-Altona publicity appears in the "Sunshine Advocate" of May 7. It commences as follows —

"Provided the moves for a third university are fair... and Mr. Bolte, the Premier, says it is to be in Melbourne... Sunshine is in the box seat.

"Of the seven western municipalities which sent representatives to a meeting at Altona last week, only four are really interested in seeking the honour of a seat of higher learning. They are Sunshine, Kellor, Bulla and Werribee.

"Williamstown could use the acreage better for housing; Footscray hasn't any acreage and Altona can scarcely afford a white elephant in its limited rateable area.

"The Altona meeting was an amicable one. All who attended realised the fight was for a third university in the western or north-western area. Wherever it was would benefit the rest."

"It was decided to form a committee of one representative from each municipality to investigate sites and present a case to State authorities."

Then follows a list of seven sites in Sunshine showing details and areas.

(The reference to white elephants is the fact that the university would pay no rates. However, all agree that other benefits would more than compensate. The omission of the words "south-western" in the suggested location though desirable, of course omits Altona.)

This article may not have been purely objective; it did distort Altona's viewpoint.

But what action will the Council take to counter the impression created by this and other such publicity.

Surely pro-Altona publicity is necessary in any case.

Quite frankly, we must agree there are certain existing conditions adverse to the founding of a university in Altona. These can be overcome, but why add to them negative or adverse unanswered publicity.

If we want a university why not say it now.

The Sunshine Council has made no secret of its wishes. It in effect says it will leave no stone unturned to obtain a university in Sunshine. Werribee Council has expressed similar intentions regarding Werribee.

Former Local Policeman in Cyprus Contingent

A member of the ten-man Victoria Police Force contingent to go to Cyprus was until recently, stationed at Altona Police Station. He is Police Valor Badge winner Const. Declan Justin Keeghan, 20, now stationed at Footscray.

Constable Keeghan and Const. Errol Archibald were awarded the Police Valor Badge for capturing a man after he had fired shots at them in an incident last September.

Const. Keeghan was one of the six policemen from Footscray, Sunshine and Maidstone who were among the 100 volunteers for the squad which will be part of a 40-man Australian team.

WERRIBEE RIFLE CLUB

Riflemen experienced very trying condition last Saturday. A frontal wind which changed direction and strength most of the afternoon kept scores low. A score of 139/150 won the V.R.A. medal for Ron Hopper, from John Sandford, 137/150. At the 600-yard range John needed a 49 to win. After scoring seven bulls straight he finished with three inners for a score of 47/50. The best individual score for the day was a nine-bull 49 at 600 yards, from B. Comben.

DETAILS

A Grade: R. Hopper, scratch; J. Sandford, handicap. R. Hopper, 139 (6.6), 145.6; J. Sandford, 137 (6.0), 143.0; R. McKean, 135 (6.0), 141.0; G. Thomas, 138 (2.0), 140.0; J. Richmond, 134 (3.2), 137.2; I. Roberts, 127 (8.6), 135.6; B. Comben, 132 (3.2), 135.2; R. Horton, 130 (4.6), 134.6; D. Breguit, 127 (6.0), 133.0; E. Edwards, 124 (6.6), 130.6.

B Grade: E. Watt, scratch; D. Gould, handicap. D. Gould, 115 (22.6), 137.6; E. Watt, 122 (14.0), 136.0; R. Simmons, 115 (17.2), 132.2; P. Osicka, 100 (24.0), 124.0; R. Miller, 101 (18.0), 119.0; R. McNaughton, 93 (24.0), 117.0; R. Smith, 61 (24.0), 85.0.

Next Saturdays shoot will be on 600 yards.

Top 4 teams still even

After the completion of the fourth round of matches last Saturday, the composition of the top four remained the same and each of the occupants has shown their ability to stay in the fight for the flag.

Metro. Farm 'scraped' home by 7 points from Newport but the margin should have been greater. Altona "thrashed" Rovers to boost their percentage and look particularly dangerous. South had the chance to lift their percentage against North Melbourne Districts but lacked purpose in the last term and the home side crept to within 26 points.

Newport are definitely the strongest team out of the four and could make it by the end of the season but it is hard to see who is going to make way for them. In the Juniors, Central Al-

tona have gained a one-game advantage over their closest rivals. However, Altona's dazzling play against Werribee puts them in the thick of calculations. With Centrals and Werribee meeting on

Sunday, the composition of the four is likely to be more stabilised by this time next week.

Games this week-end with the likely winners in black; are as follows (on grounds of first-named clubs):
SENIORS:
Werribee South v. Williamstown Rovers
Altona v. Newport
Laverton v. I.N.F.
Metro. Farm v. Central Altona
North Melb. Districts have a bye.

JUNIORS:
Altona v. Newport
Central Altona v. Werribee
Williamstown C.Y.M.S. v. I.N.F.
Werribee South v. Laverton

Interesting Facts on Saturday's Games

Werribee South have won their last ten encounters with Rovers, who last beat South 13.14.92 to 13.10.88 on June 25, 1955.

Altona and Newport have each won five out of the last ten games they have played against each other. Newport last defeated Altona on May 4, 1963 (9.12.66 to 7.8.50).

Laverton last defeated INF on June 26, 1954 (18.13.121 to 9.8.62) but INF have won the last ten battles.

Farm and Centrals have met three times. Farm have won two and Centrals one, the last, on August 17, 1963 (7.13.55 to 5.5.35).

Farm home by 7pts.

In a battle of defences at the Soldiers Reserve on Saturday, Metro. Farm gained a narrow, but good win over Newport to retain top place on the ladder.

Farm started in grand style and held the ball in their scoring zone for the greater part of the first term. However, although they had so much the play they failed to score a goal and had to be content with a one point lead after scoring seven points for the quarter.

An even game was evident in the first quarter to be a little straighter. Jack Bryan was clever around the packs for Farm, whilst John Aldersea showed good form. Farm have indicated they are top class material in their early games and should acquit themselves respectively over the next few weeks when they meet some of the better teams.

LAVERTON NO MATCH FOR CENTRALS

Central Altona won their first game this season when they easily accounted for Laverton at Langshaws Reserve on Saturday.

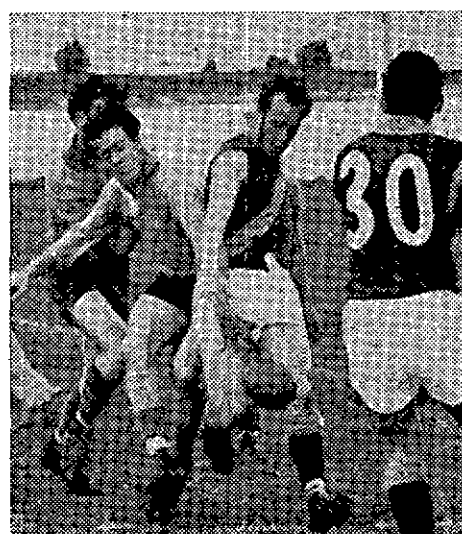

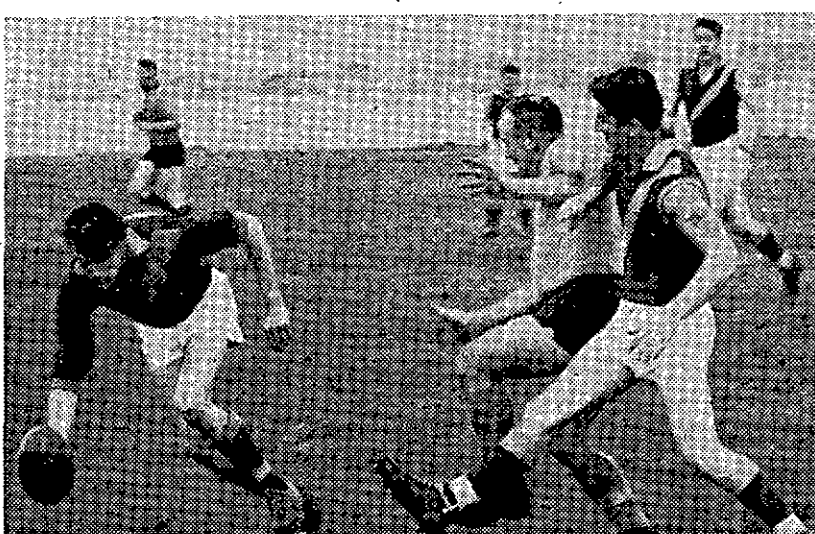

Although unable to find the goals repeatedly in the first term the home team soon established their superiority. They had 10 scoring shots to their opponents nil in this term and only for poor kicking could have held a commanding lead at the first change.

After quarter time, Centrals outscored their opponents in all quarters and never looked in danger of defeat. John Murrell and

Gary Kennedy performed well for the home team, whilst their centre half forward, Les Smythe, again acquitted himself formidably with another 5 goals.

Laverton battled the game out to the end and had good players in Bleakly, McInnis and Fraser. This side is recruiting well and once they settle down together they could be causing other sides embarrassment by the end of the season.

HIGHLIGHTS FROM SATURDAY'S ALTONA v. ROVERS GAME

TOP LEFT:—G. Munro (Altona) scooping up the ball while P. Brennan (Altona) shepherds E. Spence (Rovers). TOP RIGHT:—W. Devereaux (Altona) being hotly pressed by G. Sherriffs (Rovers), attempts a shot at goal. BOTTOM: — I. Harrington (Altona) marks in front of goal, closely watched by full forward G. Ewer (Altona) and two of Rovers backmen.

Star Votes JUNIORS

P. Abberton 3, G. Cummin 2, J. Shaw 1.
Junior Circle draw winner for this week is No. 95.
There will be a committee meeting of the Altona Junior Football Club at 8 p.m. at the old Shire Offices on May 20.

ALTONA TROUNCE THE ROVERS

In a scrappy game, marred by many ball-ups, Altona completely eclipsed the Rovers on their home ground, in the senior game last Saturday.

From the first bounce Altona attacked and quickly had the ball to their forward line where it stayed for the

greater part of the game. The few times it went forward for the Rovers it was sent back by Graeme Bren-

nan who was playing an unbeatable game.
Ron Dingey, for the Rovers, was playing well, but the pace told on him and he faded out after half time. Bob Combes on the wing was in his usual brilliant form and put the ball forward time after time to be quickly

snapped up by the forwards. Bill Devereaux, one of the best on the ground, seldom let an opportunity go by and Ewen was excelling in his new role of full forward. The Rovers, who were beaten in practically all positions, did not slacken their pace for the whole game, but were unable to counter the attacking football of the strong Altona side.

SOUTH GAIN EARLY LEAD

With a dazzling 8 goal first quarter, Werribee South were able to overcome the surroundings to run out 26 point winners over North Melbourne Districts at North Melbourne on Saturday.

South managed to make full use of the assisting breeze and with their defence on top soon went to an easy lead. Ken Munyard showed he is on the way back to form after a pre-season set back and his 6 goals at full forward were priceless.

Gary O'Reilly was again damaging and his 5 goals on Saturday indicated his value to his side and took him to the top of an interesting goal-

kicking list.

North Melbourne's best quarters were their second and fourth and the latter, which saw them add 5.5, put them within a respectable distance of South at the final bell. South did not enthuse on their last quarter effort and if they are to return to their highly regarded position of last year they will have to finish on much better in their games.

FOOTBALL CLUB GOSSIP

ALTONA SENIORS
The social occasion mentioned in this column in previous additions has now been resolved by the committee, and is to take the form of a dinner dance to be held at the Central Altona Hotel on Friday, June 5.

Every effort is being made to make this night a success, and the club guarantees an enjoyable evening to those who attend. Availability of tickets, price, etc., will be published next week.

The club has now overcome certain problems of finding the right people for various jobs, and is running with smooth efficiency. A special mention to Mr. Ron (Mother) Hogan, who so competently looks after the welfare of the players both on and off the field. Ron also incorporates the task of official runner along with his other duties. This latter must be very nerve racking, for Ron as he has to stand side by side with coach Reg (Nail Biter) Featherby during the match.

A big crowd is expected at this Saturday's match when we play Newport at Grant Reserve. The game should provide all the spectacle and thrills that the code is noted for. Be sure to be there for the first bounce.

The president and committee of the Altona Football Club gratefully acknowledge the undermentioned donations—

Mr. W. S. Burnett, £2; Fabstream Engineering, £2; Mr. P. C. Green, £2/2/-; Mr. Ian Herbert, £2/2/-; Mr. L. R. King, £1/1/-; Mrs. K. McIntyre, £10/10/-; Mr. R. Mellett, £3/3/-; Mr. L. C. Noordenne, £5; Mr. W. Williams (Rifle Club Hotel, W'town), £3.

CENTRAL ALTONA

A social committee has been formed at the Central Altona Football Club. The committee members are as follows—

Chairman, Cr. A. W. Bond; Vice President, Mr. P. Barnes; Secretary, Mr. L. Marr; Treasurer, Mr. R. Cleland; Committee, Mesdames E. Johnstone, Peatling, J. Trevine, Nolan, Jepsen, Barnes, Schnaars and Cook; Messrs. J. Murrell and J. Cooke.

The first function to be held will be a 50/50 dance at the Langshaw Reserve Youth Hall on Saturday, May 23. There will be an excellent band playing and everybody is asked to come along.

Further functions will include a Cabaret Night, barn dance, and a fancy dress cabaret.

This social club will be working hard for the club, but it is you, the supporters, and friends of the club who we will rely on.

£100 AWARD DROPPED

Due to certain conditions laid down by Fisher Motors, the Werribee Football League decided at its meeting last Friday to cancel the Fisher Award. The award would have continued if the League had decided to publish the central umpires' votes weekly as stipulated by Fisher.

The delegates thought that it could not accept the offer under the terms requested as they indicated the League could not be dictated to on matters of long standing.

LOCAL V.F.L. AND V.F.A. STARS

For the second week in succession Stuart Magee was voted one of the best players for South Melbourne. With three goals to his credit Magee was top goal scorer for South Melbourne.

Carlton rover John Comben in the match against Footscray last Saturday was named one of the best players for his team. Comben also kicked two goals for the day.

Mario Piovesan was on the mark for Yarraville in its game against Oakleigh. Of the 21 goals scored by his team Piovesan contributed with four.

ALTONA v. ROVERS Did You See?

The one handed mark of Geoff Ewen in front of goals.

The exceptional drop kicking of Bob Combes.

Dal Yorke's sound marking and disposal of the ball.

Altona's aerial gymnast, "Darby" Munro, pull down some glorious marks.

Tyrell's well placed long kicks from the centre.

Petersen's spectacular turns and ball handling in the second half.

The hand ball from Tyrell to Rohleder to York to Munro who goaled.

Bill Wooding's beautiful goal in the last quarter.

The elusive Graham Brennan—there he is, there he isn't.

CENTRAL ALTONA SNAPSHOTS

Geoff Crawford, the junior full forward, unfortunately suffered an injury while competing in school football and will be unavailable for four to six weeks.

Mick Hill finally found his kicking boots with a tally of 10 goals 5 behinds last Sunday. Previous tally to Sunday was 6 goals 13 behinds.

Senior captain/coach last season, who had retired this year, could not keep out of the game and was in the winning side last Saturday.

At training last week was Trevor Glynn, a stalwart of last year who has been out of action with a waist injury.

HOWARD PARISH \$50 AWARD (Jun.)

WERIBEE SOUTH v. I.N.F. WERIBEE SOUTH.—No votes were received for Werribee South. I.N.F.—L. O'Toole 3, A. Parker 2, B. Tyquin 1.

Altona Jun. win hard game

Altona defeated the previously undefeated Werribee in a hard game at Soldiers Reserve last Sunday. Altona won mainly because in the first half they played much better football and gained a large lead. Although Werribee lifted their play in the second half Altona matched them and held on to win well.

Werribee were first to score with a point against the wind, but Altona quickly replied with a goal through Skelley. Intelligent and unselfish play by John Shaw enabled Graham Cummin to snap Altona's second goal.

Altona for the next 10 minutes were not on target, owing to the bustling of the Werribee backmen. Play was see-sawing between the half back lines with Bob Ware and Michael Sheahan dominating for Werribee, whereas John Shaw and Ron Schwabe were repeatedly putting Altona into attack after good marks. Werribee, through good football, rushed forward and Tony Cook scored cleverly and brought Werribee's first goal. Altona within one minute, had replied to this with a long shot by John Shaw. Altona was dominating in the ruck with Ron Schwabe getting nearly every knockout and Alan Bartolo was well on top of Peter Shanahan in the centre, and this enabled them to lead by 16 points at quarter time, although there was an overuse of hand ball.

Altona got a quick goal soon after the start of the second term when Peter Abberton took a good mark in the square and made no mistake.

Altona held their dominance in the ruck, but John Smith of Werribee was sharking hit outs and giving his side drive around the ground, but they could not penetrate the solid Altona defence, headed by Graeme Tyrell.

Both back lines were on top until Peter Abberton, given some latitude in the forward pocket, snapped accurately with his left foot. Shortly after this Altona's best ruckman, Ron Schwabe, hurt his ankle and had to be replaced. Graham Cummin burst through to record a major just before the half time siren sounded. Altona's backline had played excellently to allow Werribee only one point with a slight wind advantage. Altona went in for the break with a lead of 35 points.

Werribee, with two key position changes and a stern roast from their coach echoing in their ears, went forward immediately after the resumption for a goal through Tony Cook, but Altona swept away from the bounce for Peter Abberton to mark and kick his third goal.

Soon after Abberton grabbed the ball and kicked his fourth for the match. With good football Werribee came forward and after a goal mouth scrimmage, Don Smith tore from the pack to kick a good goal. Altona had most of the play for the next 10 minutes, but could not capitalise on it and could only manage two points.

Peter Shanahan staged a brilliant single handed effort in battling the ball from near the centre up to the goal square and then finishing it off with a goal. This seemed to lift Werribee and they pushed forward for John Smith to score Werribee's fifth goal. Altona fought back and made their lead 29 points with a brilliant angle goal by Sam McFadden.

Werribee attacked once more and after taking a good mark in a pack Tony Cook made no mistake to leave Werribee 23 points in arrears at three-quarter time. Werribee played better football toward the end of the quarter because they had eclipsed Altona's dominance in the ruck and across the centre.

Altona quickly made Werribee's task difficult when after a good mark against three opponents, Andrew Skelley goaled to add to Altona's advantage.

After five minutes struggling in their forward line Andrew Toohey goaled for Werribee. Phillip McLean replied for Altona to hold their advantage. Through persistence Werribee added another goal after Peter Shanahan had run 30 yards

and put it through. Altona then went into attack, but solid defence kept Altona out. Peter Shanahan scouting well passed the ball to Andrew Toohey for him to register Werribee's ninth goal.

This was the final score for the match as the ball was played from one end of the ground to the other.

When the final siren had sounded Altona had won by 19 points. This win gives them second place on the ladder.

UNDER 15's IN THRILLING GAME

In the Under 15 curtain-raiser to the main game at Soldiers Reserve last Sunday an Altona side went down fighting to a very determined Werribee side. Werribee had an advantage around the flanks and this was the main reason for their 25-point victory.

Altona scored first with a goal off the ground soon after the start. Werribee then attacked for most of the remainder of the quarter to register 2.3 and lead by 9 points at the first change.

In the second quarter Werribee playing with systematic football and intelligent hand ball added 3.1 against the breeze and held Altona to a solitary goal which came from a very accurate angle shot.

The third term saw play see-saw with both defences on top until Altona, broke through for a goal and Werribee quickly replied with another. Both sides were playing good football and in the remainder of the quarter Werribee added 1.1 to Altona's solitary point and this gave Werribee a lead of 28 points at orange time.

Altona looked as if they could win when within the first five minutes Altona had added two goals, but Werri-

bee kicked a goal against the breeze and then held onto their lead to run out comfortable winners.

Werribee v. Altona			
1st Qr.	2 3 15	1 0 6	
2nd Qr.	5 4 34	2 0 12	
3rd Qr.	7 5 47	3 1 19	
FINAL	8 8 56	5 1 31

WERIBEE.—Courtney 3, Simmonds, Cunningham, McEvoy, Farrar, Sheahan, 1 each.

ALTONA.—Hartney 2, Garde 2, Riley 1.

Best Players:

WERIBEE.—Courtney, McEvoy and Gunn.

ALTONA.—Butterworth, Riley and Wyands.

The Junior Football Club would like to thank the people who transport the boys to the game and also the other people who help make it a great success.

CENTRALS BY A STREET

With two 10-goal quarters Central Altona maintained their undefeated run, by easily defeating Newport at Newport on Sunday.

Newport were overwhelmed in the first and third terms when Centrals turned on champagne football to add 10 goals in each of these quarters. Mick Hill kicked ten of his side's 28 goals and James Cargill also booted the leather through the centre posts on eight occasions.

Centrals left Newport stranded and, although they battled hard, they were never a possibility.

Newport are leaving a lot of work to few of their players and they will have to develop a game which could function should these players be missing from the line-up.

LAVERTON SURPRISES C.Y.M.S.

Not many teams thought it would happen but Laverton did. Yes, on Sunday they scored their first ever win over C.Y.M.S. at Laverton.

C.Y.M.S.'s young line-up could not cope with the enthusiasm of the home team and dropped further behind the longer the game progressed. They missed many of their strong players of last year and Laverton met them in more or less the same circumstances as C.Y.M.S. beat Laverton in past meetings.

CY are team building and must expect to be defeated regularly. They, too, will enjoy the same success in years to come if they continue to battle hard at all times. At the moment, however, it seems success will only come along with infrequent repetition.

Ted Rowe and Jeff Cameron were ringleaders in many of Laverton's onsets and Robert Rigney capped off his team's effort with three goals

INDUSTRY IN ALTONA

Statistics released by the Commonwealth Bureau of Census give important figures showing the trend of industry in Altona. Altona's eminent position gives cause for satisfaction. At the same time the low employment capacity in Altona is disturbing.

Appended are extracts from the report. For comparison those of Sunshine, Williamstown and Footscray are included. The total figures for the metropolitan area are also shown.

While perhaps interesting comparisons can be made between these municipalities their combined figures show a substantial contribution to Melbourne's economy.

With but 9% of the metropolitan population, 29% of all industrial land is in these areas and 25% of the capital value of land, buildings and plant. Only 16% of the labour force is in these districts (due to the many smaller factories throughout Melbourne). The incidence of small factories is very low in these suburbs but 23% of the larger industries are here.

Altona's industrial, land, buildings and plant is valued at £43,000,000. Only Melbourne City and Sunshine City exceed these figures. Altona's factories number 59 — practically the lowest number in the metropolitan area. These figures illustrate the impact of the great petro-chemical complex in Altona.

The type of industry is fur-

ther reflected in the employment figures. In Altona the £43,000,000 industry employs 2262 including 273 females. In Williamstown industry valued at £20,000,000 employs 10,593 including 1089 females.

Altona's further industrial development must in large measures be related to the Petro-Chemical Complex. As announced recently a polythene plant and a polystyrene plant valued at nearly five million pounds will shortly be established here. These will definitely be advantageous assets but will not greatly add to employment.

Obviously there is a great need for labour employing industry as in the manufacturing or food processing establishments.

Recent announcements have been made of the coming of such industries. Nycander and Company will have an initial work force of 300 in manufacturing processes employing mainly female lab-

our. Other smaller industries will in the aggregate make a substantial contribution.

There is a need for more of these if reasonable employment opportunities are to be offered Altona citizens and young people.

The Council is aware of this need. However the relatively large area of land allocated in Altona for industry has been largely retained by existing industry.

The Slough Estates who develop factories for renting to industry have a large area of such land. Developments in this direction which can shortly be expected will further improve the figures.

It is interesting to note there are three areas outside the metropolitan area which exceed the value of Altona's industrial land and buildings, etc. They are Yallourn, Morwell and Corio.

Altona's figure of £43,000,000 is being rapidly increased. The new petro-chemical plants and other announced industries will bring it within the vicinity of £50,000,000.

KOORINGAL GOLF ASSOCIATES

Wednesday, May 6, was a Stableford competition. Mrs. M. Blair (25) was the A grade winner with 35 points, whilst "B" grade winner was Mrs. V. Serong (30) with 38 points.

Congratulations to the girls who broke their handicaps: Mesdames O. Clancy, R. Fisher and V. Serong.

HELPING THE MIGRANT

Most Australians these days agree that migration is of immense economic and cultural value to the nation.

They would also agree that since the end of World War II migration has logically been the responsibility of our Federal Government.

But what is not fully understood or appreciated by many is the practical interest being taken in migrants by non-government institutions and the extent of the efforts to persuade and assist people to migrate to Australia and to help them settle in after arrival.

One of these organizations is the Bank of New South Wales. As Australia's oldest public company, the "Wales" proudly claims to have been helping migrants since 1917, when your total population was less than 20,000, and what is now the Australian nation was known as the Penal Colony of New South Wales.

In this more sophisticated post-war migrant era, however, the Bank tackles the problem of assisting prospective new settlers three ways—before embarkation, on board ship and after they disembark.

In the case of migrants from the United Kingdom the work of providing assistance and advice begins in London itself.

At the Kingsway branch of the "Wales" a special Australian Migrant Information Service is provided to advise prospective migrants not only on banking, financial and travel matters, but also answer their enquiries concerning housing, education, wages, employment conditions and a thousand and one other matters.

Recently the Officer-in-Charge of this Service, Mr. Eric C. Ginn, who is a keen flyer, piloted chartered light aircraft over much of Australia and New Zealand touching down at centres thousands of miles apart to equip himself to answer with authority the many questions he will be asked concerning towns, loca-

lities and conditions by intending migrants.

Mr. Ginn is a member of the Flairavia Flying Club which operates from the famous Battle of Britain Spitfire base at Beacon Hill, in Kent.

He admits frankly that he found flying conditions vastly different from those in the United Kingdom. This was particularly so when it came to cross-country flying where, in a number of cases, the vastness of the country, distances and lack of landmarks as navigational aids, really kept him "on his toes".

Operating as a flying banker during his study tour of Australia, Mr. Ginn said he was able to get the "feel" of the country through meeting so many people in small towns and outback areas with whom he would not normally have come in contact.

"This experience will be of tremendous value to me in presenting Australia to those considering migrating here from the United Kingdom," said Mr. Ginn.

"Nautical" Bankers

On the Australian scene the Bank's Migrant Advisory Service leaves no stone unturned to assist our new arrivals.

"Wales" officers frequently join migrant vessels at the first Australian port of call to provide shipboard advice and banking facilities during the remainder of the voyage. Indeed, scarcely a week goes by when some of these "nautical" bankers are not on the high

Traffic Fines

Rafle Gila, of 187 Civic Parade, Altona, was fined £10 and disqualified from obtaining a licence for three months for riding a motor cycle when unlicensed in Millers Road, Altona on November 12, 1963.

seas playing a vital role in helping to guide migrants and in welcoming them to their new home.

The Service also provides a wide range of free facilities for customers and non-customers alike.

These are available not only at capital city offices but at more than 1,000 points of representation the "Wales" has spread throughout Australia.

Language will always be a difficulty wherever migrants are concerned, and, so, at many points the Bank provides trained linguists to help. At present it employs more than 300 linguists, most of them born overseas, and they are able to translate no less than 37 languages.

A Link with the Past

The present upsurge of Australia's migrant population and the Bank's steps to service their needs, is reminiscent of the period a century ago, when the gold discoveries in New South Wales and Victoria attracted newcomers from all parts of the world. The "Wales" met that challenge by establishing pioneer branches, often in tents and bark shacks, wherever a gold rush developed, and in this way built up its great network of branches so well geared to service Australia's banking needs today.

Since 1945 we have added approximately two million migrants to our population. Although it is still early in our migration programme to forecast the full impact this wave of new settlers will have, one thing is certain—the newcomers have contributed much to our Australian way of life.

**No Licence Charge
Dismissed**

Cary Grant, of 199 Mason Street, Newport, was charged that on October 26, 1963 at Altona he did drive a motor cycle on a highway, to wit, Blyth Street without being licensed. He pleaded not guilty and was represented by Mr. James.

Constable L. Knight, of Newport said at 11.30 p.m. on October 26 he was on duty in Blyth Street, Altona and approaching the corner of Maidstone Street saw defendant standing on the corner holding a motor scooter.

The Constable asked for his name and address and licence. Grant gave his name and address but said he did not have a licence as he wasn't old enough. He admitted driving the scooter there from Newport as he wanted to see a mate.

Mr. James made a technical plea that no evidence was given that defendant drove on a highway. He admitted driving it there but there was no mention made by police about being on a highway.

Grant has probably been punished enough already anyway. He dismissed the charge.

HOCKEY NEWS

A Grade met stiff opposition from St. Kilda in their match which resulted in their fifth successive victory. The game opened at a hectic pace and both teams had opportunities to score, but the defences of each team were hard to penetrate. After the opening burst St. Kilda appeared to have the better of the play and Altona's defence was working overtime.

At half-time neither team had scored. An appeal for a greater effort by the forwards from Captain-Coach Bill Smith had immediate results after resumption of play, when Ronald Smith forced the ball into the circle for Eric MacAuley to register the first goal.

This spurred Altona into attack again and Bill Smith passed to MacAuley for another goal. At this stage it was all Altona.

Another chance was spoilt by Baillie shooting from too great an angle, but an attack led by Ian Grant and MacAuley sealed the game with a nice goal.

This young Altona team has plenty of talent, and if the two wingers use a little more thought in their disposal this team must take a lot of beating for this year's pennant.

Best players: D. Bartlett, E. MacAuley, N. Hunter.

B GRADE

B Grade had a "picnic" against Point Cook R.A.A.F. Stronger in all positions, Altona ran out easy winners ten goals to one. If this game was a guide another premiership could come their way.

Goal-scorers: K. Burgess 4 A. Docker 3, J. Reilly 2, F. Roadley 1.

Best players: P. Hunter, F. Roadley, K. Burgess.

C GRADE

C Grade defeated joint zone leaders Old Scotch by a convincing five goals to one. Old Scotch held Altona for the first 15 minutes of play, but then, when the real pressure was applied, Altona went away to score a convincing win and now must be favoured to take the Flag in this zone.

Goal-scorers: J. Gardner 2, R. Turner 1, L. Smith 1, S. Hyde 1.

Best players: E. Kip, A. Fry.

D GRADE

D Grade, away to Camberwell, took a long time to find their legs and were held scoreless at half-time. This was not the Altona team that had only suffered one defeat.

In the second half that will-to-win and know-how was produced and Altona coasted to a comfortable five-nil victory. An interesting part of this victory was that played by two under-age players, Ivan Neale and David Spackman. David made many fine centres resulting in three fine goals by Ivan Neale, and one from David himself.

Another goal was scored by first-year player Robert Waters.

Best players: Ivan Neale, David Spackman.

UNDER 16

The Under 16 Altona side attacked from the bully, but poor forward play in the circle allowed the rugged Ivanhoe defence to clear. Poor understanding between backs and goalkeeper let Ivanhoe in for a goal, and this was repeated again when Ivanhoe got in the circle.

Altona's half-line began to take charge and Jeremy Hunter netted from a nice follow-through shot. This goal lifted the locals' play and they were attacking as the half-time whistle sounded.

After the change David Spackman scored from a scrimmage to even the scores. At this stage it looked a different team, players were thinking and looking for a team-mate.

A pass from Ford to Hunter and Altona's third goal came up. Ivanhoe became rattled and sticks swung wildly. Altona, not to be outdone, joined in, and the hockey became very ragged.

In the closing stages Ivanhoe scored from another defence mistake by Altona, to make the final score a three-all draw.

Best players: Bruce Forrester, Ross Ford, Jeremy Hunter, Harold Benedierks.

TABLE TENNIS

The first round of matches in the Western Suburbs 1964 Winter Pennant season were played last week, when 72 teams met in keen and friendly rivalry. There were many close and interesting tussles, and quite a few surprise results.

"A" grade players to shine included Terry Smith, Alby Walkers, Robert Morgan, David Wylie, Ross Anderson, Jim McQuinnan, Miss T. Silver, Miss Dianne Robertson, Harvey Gill, Wally Rosenweig.

In "A" Grade, Maidstone, Sunshine, Altona and Metters form the first four, while in "A" Reserve, Footscray, Maidstone, Newport Presbyterians, and Aust. Glass are on top.

A tense struggle between Altona (T. Vitale, F. Bourchier, David Malthouse) and Mephan Ferguson (Mick Harvey, D. Vance, Brian Duvoisin) ended up 6/5 in favour of Altona, with Harvey outstanding in winning three sets.

Rheem were outclassed by a strong Sunbeam side 2/9, and Apex Belting lost to Footscray Youth Club 2/9. Naval Dockyard were off target against Aust. Glass and also lost 2/9. Best players in "B" grade were Bruce Mackrill, Ross Franke, Ivan Greaves, M. Harvey, Leona Darvell, Arthur Lane, Ray Gall, Dick Ross, Vic Beattie, John Kinkead, Brian Burrell.

FINED £3

Carmelo Attard, of Birmingham Street, Yarraville, was fined £3 for having an obscured rear number plate on his car when stopped in The Esplanade, Altona on December 14, 1963.

SHIRE OF ALTONA

LOAN No. 44—£25,000.
SPECIAL ORDER TO BE MADE

Notice is hereby given that at a meeting on the 28th April, 1964, the Council resolved—
"THAT the Council makes a special order to borrow the sum of £25,000 on the credit of the municipal revenues of the President, Councillors and Ratepayers of the said Shire, such sum to be raised, by the grant of a mortgage in accordance with the provisions of the Local Government Act, 1958.
1. Maximum rate of interest that may be paid is 5 per centum per annum.
2. The purpose for which loan is to be applied is the construction of Private Streets under the provisions of Division 10 of Part XIX of the Local Government Act and the loan shall be liquidated from the receipt of money payable under the schemes under the said Divisions.
3. The moneys borrowed shall be repayable by providing out of the Municipal Fund 20 half yearly instalments of £1603/13/7 each including principal and interest, on the first day of June and the first day of December during the currency of the loan. The first instalment shall be payable on the first day of December, 1964.
4. Such moneys shall be repayable at C.B.C. Savings Bank Limited, Melbourne.
And further, that confirmation of this Order be made for the Council meeting to an ORDER OF THE DAY be held on the 26th May, 1964."
JAMES W. WATERS,
Shire Secretary.

FIRING PRACTICES—WILLIAMSTOWN RIFLE RANGE AREA

The PUBLIC is hereby warned that FIRING PRACTICES with rifle, machine gun, machine carbine and pistol may be carried out between 0730 hours and 1900 hours daily in the WILLIAMSTOWN RIFLE RANGE area during the month of May, 1964.

Members of the public must keep clear of the area defined below.

DEFINED AREA

All the land of the WILLIAMSTOWN area known as the WILLIAMSTOWN (or MERRETT) RIFLE RANGE: that is to say all that land SOUTH of KOROROIT CREEK ROAD enclosed between the junction of KOROROIT CREEK with the EASTERN boundary line of MADDOX STREET; thence in a NORTHERLY direction to the corner of MADDOX STREET and KOROROIT CREEK ROAD with the property of the Victorian State EDUCATION DEPARTMENT thence in a SOUTHERLY direction along this boundary and the boundaries of housing properties; thence again in an EASTERLY direction for 259 yards to the boundary fence of the Girls School; thence again in a SOUTHERLY direction to the PORT PHILLIP BAY FORESHORE; thence in a WEST and NORTH WESTERLY direction along the FORESHORE to the junction of KOROROIT CREEK with the EASTERN boundary line of MADDOX STREET afore mentioned; and for a distance of 4000 yards SOUTH (into PORT PHILLIP BAY) throughout the length of this FORESHORE widening to a length of 3800 yards at its SOUTHERN extremity.

ENTRY INTO THE AREA
Members of the public seeking entry into the range proper in the course of business must first make application to the Range Superintendent (telephone 65-6027). Entry for any other reason is forbidden.

Members of the public are warned against entry into the danger area of PORT PHILLIP BAY whenever firing practices are being conducted.

FLYING OF DANGER FLAGS

As a warning to the public that the range is in use RED flags are hoisted in the vicinity of the range foreshore at intervals throughout its length.

COMMONWEALTH AIRCRAFT CORPORATION PTY. LTD.

REFINERY PERSONNEL

Petroleum Refineries (Australia) Pty. Ltd. have opportunities for a group of men between the age of 21-35 years to join their Process Department as—

PROCESS OPERATORS

DUTIES involve the control of oil processing equipment by the operation of pumps, compressors, distillation towers, furnaces, etc., on a continuous shift basis.

QUALIFICATIONS AND EXPERIENCES: Applicants need not be experienced in this field, as those selected will be fully trained in the fundamentals of Petroleum Refining under the guidance of experienced instructors. They must, however, possess a formal education to secondary standard, and preferably be resident within 10 miles of the Refinery. When assigned to regular shift work, the selected personnel will earn £1450 per annum. Successful applicants will be required to commence training on June 29, 1964.

OTHER BENEFITS INCLUDE ★ 4 weeks annual leave. ★ Subsidised employee retirement and benefits plan. ★ Excellent working conditions and amenities.

If interested, you are invited to apply in person to our Employment Office,

PETROLEUM REFINERIES (AUSTRALIA) PTY. LTD., Millers Road, ALTONA.

between 8.30 a.m. and 9.30 a.m. on Saturday, May 16, or in writing to Box 40, ALTONA, by Wednesday, May 20, 1964.

SOCCER

WILLIAMSTOWN WINS AGAIN

By JOHN CULLEN

In a skillful exhibition of soccer at the J. T. Gray Reserve last Saturday, Williamstown defeated Brighton 4-1. The victory was all the more deserving as Williamstown came from behind to turn a 0-1 deficit into a 4-1 victory.

It was Williamstown's third victory in a row in the soccer league. The two points gained gives 'Town six and moves them from second last to seventh position.

The match was a thriller. At first it was all Brighton, and 'Towns captain Harry Jones brought back into defence all but the two wingers. The other nine players defended the goal but could not stop Brighton scoring after 10 minutes of play.

Down 0-1, 'Town held on grimly, and then fought back, slowly at first, but as the game progressed, steadily and surely, it gained dominance. During a Williamstown attack a Brighton defender touched the ball with his hand. The referee awarded a penalty kick to Williamstown. 'Towns outside-right, Walter Rosenzweig, was nominated to take the kick. He placed the ball on the 12-yard spot, stepped back, then confidently hit the ball past the Brighton goalkeeper into the left-hand corner of the net. 'Town had equalised.

Despite spirited attacks by both teams no more goals were recorded in the first half and the half-time score was Williamstown 1, Brighton 1.

In the second half Williamstown took command and in the sixtieth minute went into the lead. The goal was a result of beautiful teamwork. 'Towns left-back Neil Wynne passed upfield to inside-left Herbert Brunnbauer. He sent a long pass across field to outside-right Walter Rosenzweig, who crossed the ball high into centre field. Robert Faust, 'Towns centre-forward, took the cross and from 10 yards slammed in an unstoppable shot. Williamstown were leading 2-1 and then took complete command of the game.

Five minutes later Herbert Brunnbauer scored to make it 3-1 in Williamstown's favour. Again teamwork was rewarded as Herbert, intercepting a loose ball in his own half, travelled 40 yards upfield, passed the ball to Robert Faust, then moved into position to accept the return pass. Faust passed to Herbert, who banged the ball past Brighton's keeper.

LIFE SAVING CLUB

The arrangements for the annual anniversary ball are well in hand. June 26 is the date and as in the past this will be a cabaret ball. Tickets will be available very soon.

Further details of both these nights will be published in *The Star* next week.

MEETING

A social meeting has been called for next Sunday, May 17, at 9.45 a.m.

WORKING MEN'S CLUB SEMING COMPETITION

Will all Associates please note that entries for the sewing competition close on Monday, May 18, and entry forms should be handed to Lex McCenachy.

AMBULANCE APPOINTMENT FOR CR. BOND

Cr. A. W. Bond of Altona Shire Council has been selected to represent the Municipal Association on the Board of Management of the Victorian Civil Ambulance.

The association has two representatives on the Board and Cr. Bond will represent all suburbs this side of Melbourne.

Previously the representative for this area was a Williamstown Councillor.

After that it was all Williamstown. Even the defenders were in attack.

The forward line, with wily Brunnbauer the master tactician, was functioning smoothly. Ten minutes from time Williamstown's fourth goal came up. Brighton's keeper punched the ball clear. It landed at the feet of centre-forward Faust, who appeared to hesitate, then calmly tipped the ball into the net.

The final score was Williamstown 4, Brighton 1. Williamstown won clearly and the score could have been greater. At least five shots went close to scoring in the closing minutes.

At the moment Williamstown is still a team of brilliant individuals, but gradually teamwork is creeping into the play. As the time passes 'Town will continue to improve and will be a match to any team in the League.

REFEREE'S VOTES

Referees votes went to Barry Abbot 3, Herbert Brunnbauer 2, Harry Jones 1.

NEXT GAME

Next Saturday Williamstown are away to South Yarra. This will be a close match as South Yarra are also on the improve. It is expected that Williamstown's determination will be the deciding factor and that it will win.

RESERVES

Williamstown's reserves were defeated 5-1 by Brighton.

Goal-scorers: Alan Wynne. Best players: Jimmy Todd 3, Alan Wynne 2, Tony Slegtenhorst 1.
